## Professional Summary

I am Aatman Jain, a dedicated and results-driven individual pursuing a Bachelor's degree in Computer Science and Engineering at Vellore Institute of Technology, Vellore. With a strong educational background, I completed my 10th and 12th grades at Anubhuti International Residential School, achieving outstanding scores of 96% and 97% respectively.

In terms of professional experience, I have gained valuable insights through internships where I handled responsibilities with diligence and achieved notable accomplishments. My internship experiences have equipped me with practical skills and a deep understanding of [replace with specific details].

One of my key strengths lies in web development, where I am proficient in HTML, CSS, and JavaScript. Additionally, I have hands-on experience with the React framework for frontend development. My programming skills extend to Python, C, C++, and Java.

Driven by a passion for technology and a commitment to continuous learning, I am poised to contribute my skills and knowledge to real-world projects. I am confident in my ability to adapt to new challenges and deliver high-quality solutions.
